

FINDING IT DIFFICULT TO FUNDRAISE DUE TO COVID-19 RESTRICTIONS?

We have a great tool that can help you generate these funds with very little work.

Before COVID restrictions we ran live Music Bingo Events. We have now pivoted to offer **LIVE STREAMING** ONLINE MUSIC BINGO EVENTS.

All you need to do is advertise & sell tickets to your own online fundraising event and your guests will join in for a fun & professional online experience.

Your guests can literally be anywhere in the world, which makes this perfect fundraising event as your captive audience is your social media community.

An online event costs \$450^{+GST}. You can have up to 500 players
We recommend selling the cards at \$10/card. If you were able to sell all 500 cards that could be a profit of over \$4500.

We can customize the event to suit your needs including broadcasting other content, raffles, silent auctions, etc.

Prizes are at the discretion & responsibility of the client, however we can easily recommend what works well for an online audience.

There are over **50 different rounds** to choose from, covering hits from the 60's to today. PLUS special themes including Disney, One Hit Wonders etc.
